

A&M HAPPENINGS

Est. 2011 **10TH**
A&M
Home Services
ANNIVERSARY

The home show was not as busy as usual due to covid. This was the first event we were able to attend after a long year of social distancing.

A&M held a drawing at the home show and gave one lucky winner, 150' of free gutters installed!

GAF Triple Excellence Award

THIS PRESTIGIOUS AWARD IS COMPRISED OF THREE AWARDS. THE INSTALLATION EXCELLENCE, TRAINING EXCELLENCE, AND THE CONSUMER PROTECTION EXCELLENCE AWARDS. EARNING THIS AWARD SHOWS A&M'S DEDICATION TO ITS CUSTOMERS AND COMMITMENT TO A LASTING INSTALLATION.

**ALWAYS LOOKING FOR
GOOD HELP...**

We hear staffing is an issue everywhere. We have been able to add to our team this year significantly.

With the addition of another gutter crew, we had to add more staff. A&M is a great place to work with a complete benefit package.

If you know someone who is looking, please share our contact information!

**APRIL
EMPLOYEE
OF THE
MONTH!**

Employee of the month...

Stephon Shinholster

A&M was able to change one Beacon Health employees life, with a FREE roof.

As A&M celebrates our 10th anniversary we look back at what made us successful. It was all of our hardworking customers, who trusted us to care for their home.

"Diane gets the rooms prepped and ready, cleaned and disinfected thoroughly for the patients to receive that care. Without Diane and environmental services associates, the hospital can't function," said Director of Environmental Services Matt Curry. Dealing with stress at work and home, it makes the surprise that much more special.

"[I've] had some difficulties and this is wonderful to know that there's somebody out there to do something so great," said Guzicki.

A&M Home Services says they held a raffle to give away one free roof to someone in need.

"Now that everybody's starting to get back into the swing of things, the people that were on the front needed to be recognized," said Michael Alexander. "So we felt that in our situation, we could do that and give back to the people that have been in the depths of everything."

A&M says Guzicki's roof has many damaged shingles that definitely need to be replaced. A new one can cost anywhere from \$12,000 to \$15,000. Now, that's one less worry on her mind.

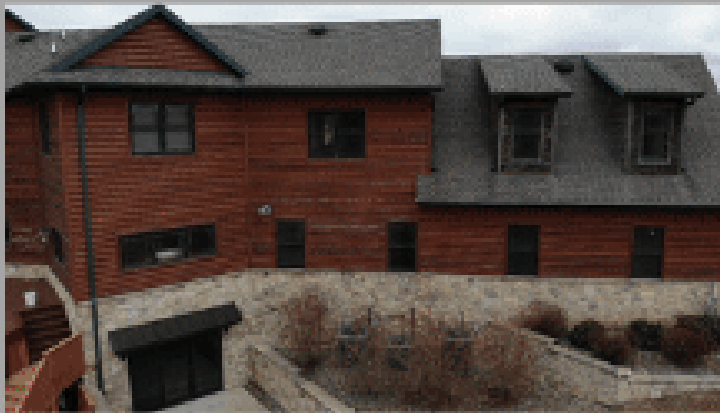

"She's in here giving her all at work and we can take care of that stress for her at her house that is a critical area she needed to get done."

But it's fitting-- a roof designed to protect the woman who was recently awarded the COVID hero award for ensuring every patient seen has a sanitized room to recover.

"Diane just gives it her all and is very patient, focused and wants the best for the patients," said Curry.

"Someone is looking out for me somewhere," said Guzicki. "It's just awesome." A&M says they are going to continue trying to offer free roofs to people they believe deserve a break and thank you for their efforts.

Guzicki's new roof will be installed later this summer.

Little to no maintenance...

This is a monumental change! Inspired by the desire to have little or no maintenance for years to come.

Why Celect?

- KYNAR AQUATEC COLOR COATING ELIMINATES THE NEED FOR REPAINTING
- INTERLOCKING JOINTS ELIMINATE GAPS BETWEEN BOARDS SEEN IN COMPARABLE PRODUCTS
- CELLULAR PVC MATERIAL RESISTS DIRT, SEASONAL STAINING AND INSECTS
- NO NEED TO CAULK AND RECAULK LIKE FIBER CEMENT

EMPLOYEE APPRECIATION

JUNE TEAM UP DAY!

June 2021

EMPLOYEE APPRECIATION, GAME-DAY!

TEAM BUILDING

**One HOT
day!**

**A&M sponsors
a great cause.**

**GAF
Presidents Club**

The President's Club designation is the highest level award that a GAF Master Elite contractor like us can earn within the GAF Certified Contractor Program. This means that GAF President's Club award winners are some of the best roofing contractors in the industry.

**BREMEN FIREMAN'S
FESTIVAL PARADE**

Our employees were excited to be in the parade. We had 9 vehicles, and three trailers. The kids threw candy and the adults handed out bottled water. It was well appreciated on this super hot afternoon!
